NOTICE

Attention: Students of Sem-VIII and M.Tech Sem II

Repeat Examination for Sem-VIII and M.Tech Sem II of academic year 2017-18 for Performance Improvement / Grade Improvement.

Students, who have passed semester **VIII / M.Tech Sem II** examination held in May 2018 and still are interested in improving their performance in the said examination, can appear for repeat examination commencing from 24th July 2018.

- The students are informed to register and fill up examination form for Performance Improvement / Grade Improvement **on** or before 10th July in the Exam Cell.
- Appearances in this examination will be treated as their first attempt in point of view of application of Grade Table for the semester VIII / M.Tech Sem II Examination .
- Students can appear for Performance Improvement with all theory courses including Oral/ Practical/ Project. Term work / CA marks for all courses will be carried forward.
- Marks under all the heads of the previous semester VIII /M.Tech Sem II examination (held in May 2018) will be overwritten by marks obtained in this examination in case of Performance Improvement.
- For Grade Improvement , Students can appear with selected courses/ selected heads of passing. All other marks will be carried forward.
- In case if a student remains absent or fails in this repeat examination, the result will have a reflection of the same.
- Students will give an undertaking accepting the above conditions of the repeat examination.
