

SAHAS EVENTS:

1)Evaluation Seminar:We organized an evaluation seminar for first year and diploma students. The purpose of this seminar was to make the students get acquainted with evaluation system for all years.This seminar was conducted by the Controller of Examiner, Mrs.Anita Kantute.

2)NPCIL:

NPCIL is a government of India enterprise under the administrative control of department of Atomic Energy (DAE).The seminar highlighted nuclear power plants-concepts, design, safety,

operation, radiation fundamentals and their applications in service of humankind. This seminar was conducted by expert technocrats - Mr. S.A Khan and Mr. Raghavendra B.N.

3) Pic-O-Mania:

Sahas organized a fun event Pic-O-Mania during Abhiyantriki-the technical fest of K.J. Somaiya. More than 40 teams each consisting of two members participated in the event. A list of clues which led to different spots around the entire Somaiya Campus were given to the teams and they were supposed to click

selfies at the spots. This event was one of the most unique events of Abhiyantriki. Students from K.J. Somaiya as well as from various other engineering colleges participated in huge numbers.

4) IV TO TARAPUR ATOMIC POWER STATION:

Sahas organized a one day trip to Tarapur Atomic Power Station, Boisar, which is the largest power station in India. A total of 47 students and 3 faculty members were part of this IV-Industrial Visit. One staff was allotted as our guide. He guided us for the breakfast and then to the conference hall where there was a seminar lecture given by the person in-charge of TAPS. The animation and lecture clarified about no risk of nuclear power plant to the surroundings. Also lots of details about flora and fauna were shared with students. Then students were guided to simulator room of control rooms and models of various equipment of the site.

5) BEACH CLEAN UP:

Sahas collaborated with PARVAAH-social initiative of K.J. Somaiya College of Engineering, to clean up Versova Beach. Interested teachers and students joined hands as volunteers for this social cause. We cleared the entire patch of Sagar Kutir of Versova Beach. PARVAAH team brought recyclable garbage bins, gloves, brooms. We cleaned the area near the mangroves; all our students along with faculties present have removed plastics, cloths, debris etc.

6) MUSEUM ON WHEELS:

Sahas and Chhatrapati Shivaji Maharaj Vastu

Sangrahalaya, Mumbai,

jointly presented Mumbai's first ever 'Museum on Wheels'-a dedicated

Museum bus carrying Museum's idols and travelling exhibitions to distant places in a customized air-conditioned bus, with an aim to establish a connection between heritage of the past and its

relevance in the present-day society. This was our most successful event, we witnessed a footfall of 2000+ attendees..!!
