A Message From The Founder

***My Dear Young Students,
Welcome to you to the Institutions of Vidyavihar! Your
Finest Hour is here. The future belongs to you.
Let us all zealously work together and dedicate ourselves to build India of
our dreams. Remember, nothing was ever achieved without hard work.
Be bold but not be bowled over. Let Truth and Duty be your
watchwords. Never despair in the face of setbacks.
Keep courage and continue to work with Fortitude. Have
faith in yourselves and in the Almighty.
Strive for your Goals and the future is yours!***

ABOUT THE COLLEGE

A Dream Come True

The establishment of Somaiya Vidyavihar was the fulfillment of the dream of Late Padmbhushan Pujya Shree Karamshibhai Jethabhai Somaiya - an industrialist of distinction and a great visionary. The foundation stone of K. J. Somaiya college of Arts and science was laid under the auspices of the Somaiya Vidyavihar Trust in 1960. It was the beginning of many educational institutions growing on the vast campus of Somaiya Vidyavihar. K. J. Somaiya College of Science emerged as an independent institution in 1972. The Commerce faculty was added in 1986 and the college was rechristened K. J. Somaiya College of Science and Commerce. Presently 34 institutions of Somaiya Vidyavihar enroll about 27,000 students and have 1700 faculty members, who impart value based quality education.

Accreditation

The College has grown in leaps and bounds in terms of student strength, courses and subjects offered, facilities etc. The College had an opportunity to endorse its standard and class through the National Assessment and Accreditation council, an autonomous institution of University Grants Commission, in 2004. The college received 'A' grade in the assessment.

The college has been reaccredited with NAAC 'A' grade in the years 2010 and 2015.

Vision Statement

Equip the student with knowledge and skills of their chosen vocation, inculcate values, provide them opportunities for all-round growth and prepare them for life.

Vision of the founder

- ❖ Service to mankind.
- ❖ Understand and respond to the needs of modern Science and Technology Provide a sound spiritual foundation to march into the future.
- ❖ Provide opportunities for all-round development of individuals.

Mission

- ❖ To equip the students with knowledge and skills in their chosen vocation.
- ❖ To provide value-based education and opportunities to students to help them to face challenges in life.
- ❖ To nurture a scientific attitude, temperament and culture among the students.
- ❖ To continually review, develop and renew the approach to build India of the Founder's dream.

Goals And Objectives

- ❖ To build a strong Academia-Industry bridge.
- ❖ To provide flexibility in the courses and proactively adapt to the changing needs of students and the society.
- ❖ To establish a center for multi-disciplinary activities.
- ❖ To mold individuals who would nurture the cultural heritage of our country and contribute to the betterment of the society.

A TRIBUTE TO SHRI. S. K .SOMAIYA

-: Our Inspiration :-

The Great Visionary and Transformational leader,

(Late) Dr. Shantilal K. Somaiya

29-12-1927 to 01-01-2010

A leading Industrialist & Businessman received various awards including prestigious 'Luminosa' & 'Sanskrit Mitra' titles. Strongly upheld the peaceful co-existence of religions and travelled extensively across the globe to spread the message of Indian Culture & Philosophy. Also made remarkable contribution to Education & upliftment of 'Adivasis'

FROM THE PRINCIPAL'S DESK

At the outset, on behalf of management, my staff and myself, I extend a warm and whole hearted welcome to you to this premier institute. Hearty congratulations on your success. But remember; today's success is just a milestone in your journey.

Education is a great engine of personal development. To learn is to change. Education is the process that changes the learner. Education is not filling the bucket but lighting the fire. We welcome you to this temple of learning.

Every accomplishment starts with decision to try to keep your dream alive. Understand, to achieve anything requires faith and belief in yourself and enthusiasm. Enthusiasm is excitement with inspiration, motivation and a pinch of creativity. The size of your accomplishment and quality of your achievement will depend largely on how big a man you see in yourself. What sort of image you get of your possible self at your best.

Think positively with confidence and faith. Life will become more secure, richer in achievement and experience. Thinking is more interesting than knowing. Knowing is not enough. Vision, dedication, determination and hard work are the key to success. Where there is knowledge and wisdom, there is prosperity, success, freedom and bliss.

The key aspects of the character of K. J. Somaiya College of Science and Commerce can be summarized thus, we stand for academic excellence and education of the whole person beyond the curriculum, within a framework of ethical, disciplined and caring teaching that goes back to thousands of years in India. K. J. Somaiya College of Science and Commerce is an outward looking, modern and ambitious college which draws inspiration from age-old scriptures, discipline and traditions because they have stood the test of time and have benefited generation after generation. We value decorum, courtesy, self-discipline and honesty because the world values them as strength that will help students rise above the pack and achieve respect and success in their chosen fields.

All the best,

Dr. Vijay B. Joshi

Principal

Cultural Forum

Students are encouraged to take part in various art forms like Music, Literature, dramatics, etc. Cultural festival 'TARANG' including various competitions in singing, dance, painting, essay writing etc. are held.

TARANG (2016-17)

The Cultural Committee commenced the activities on auspicious occasion of Teacher's Day, 5th September by felicitating teachers by presenting flower and card. The function was organized in Seminar Hall and concluded by inauguration of TARANG banner.

The TARANG activities began on 14th December'16 and concluded on 20th December'16. The activities included competitions in various events like painting, mehendi, nail art, photography, best out of waste, quiz, personality contest, treasure hunt, rangoli, cooking without fire, dance and singing. The events were organized in room nos. 308 and 309, a few in Seminar hall of college and Dance competition in Engineering Auditorium. Senior in-house teachers were appointed to judge the events and for singing and dance, we invited the judges from outside.

On 21st December'16, prize distribution was organized in seminar hall and the winners of various events categorized as solo or group and first, second or third and consolation in some events were given away by the Principal. All the winners and volunteers also received the certificates for their efforts.

On 22nd December, Annual Day was celebrated in Engineering Auditorium and Principal graced the occasion. The Vice Principal, Supervisors, Convener and Co-Convener were felicitated on this occasion and an excellent show was presented by the Junior College students.

CONVENOR – Mrs. DEEPA GANATRA

Saptak - The Music Club (2016-2017)

2016-2017 is Saptak's 6th year. By this time Saptak has become very popular amongst the students in the college and campus. As per the motive, Saptak is creating an interest and awareness of the classical music amongst the students and the teachers of the college and Somaiya campus.

In this year on 18th January 2017, Saptak had performed 'Raag Pahadi' which had unfolded the beauty of Raag Pahadi in different forms at Seminar hall.

All together 24 students had performed in this concert. The program was highly appreciated by the audience and it left them spell bound. Saptak has many more dream concerts in coming years.

Principal Dr. Vijay Joshi, Convenor, Mrs. Savita Moghe, Co-convenor Mrs. Smita Bhosale and all the committee members had taken great efforts to bring success to the concerts.

CONVENOR – Mrs. SAVITA MOGHE

OLYMPIAD EXAMINATION 2017-18

Are you aware that thousands of students go abroad for International Olympiads and win laurels for India! Olympiads are plenty, from Sports events to academic tests. All of them have a common goal and that is EXCELLENCE.

International Olympiads are held every year in Mathematics, Physics, Chemistry, Biology, Astronomy, etc.

National Standard Examinations (NSE) in Physics, Chemistry, Biology and Astronomy are conducted in the month of November in our College. These Exams are at CBSE Class XII level.

Olympiad Exam is conducted by IAPT (Indian Association of Physics Teachers). In each Subject,

- i. Certificates are given to top 10% students of every centre.
- ii. Merit Certificates are awarded to top 1 % students in each State.
- iii. Special Merit Certificates and a prize (book) will be awarded to National top 1 % students.

Don't you think that you should participate and join the above list? The time to think and **ACT** is now! So Hurry up!!!
